WORK EXPERIENCE

<p>11 September 2017 (Continuing)</p> <p>Main Activities and Responsibilities</p>	<p>Lecturer and Chairman (Acting)</p> <p>Department of Education, Noakhali Science and Technology University, Noakhali, Bangladesh</p> <ul style="list-style-type: none"> As a lecturer I facilitate the department by developing curriculum. Besides I also do administrative task, organizing the departmental activities and so on.
<p>07 July 2012 – 30 December 2014</p> <p>Main Activities and Responsibilities</p>	<p>Resource Teacher (Mathematics)</p> <p>Secondary Education Quality and Access Enhancement Project (SEQAEP), Directorate of Secondary and Higher Education, Ministry of Education, Government of Bangladesh</p> <p>Ulla Girls High School, Saghata, Gaibandha, Bangladesh</p> <ul style="list-style-type: none"> As a Resource Teacher I facilitate the classes from six to ten. These are the supportive additional classes for the disadvantaged and weak students in the remote schools. As a Supportive teacher I facilitate the teaching learning process of my students in the school in a joyful learning environment by applying different techniques. Supporter: I support the regular subject teachers (Mathematics) of my school to strengthen their skills and competences in my additional classes. These teachers follow my way of working and techniques used in the classroom to get a better understanding about the pedagogical aspects of teaching-learning activities. Material and Teaching Aid Developer: I prepare low cost teaching aids and available supportive learning materials on Mathematics to make the content easier to understand. Lesson Plan Developer: I develop lesson plan for every class that helps me to facilitate the class in a constructive way. In a month I prepare 45 lesson plans for class six to ten (9 lesson plans for each grade).

<p>1 July 2009 – 31 December 2009</p> <p>Main Activities and Responsibilities</p>	<p>Practice Teacher</p> <hr/> <p>Nilkhet High school, Nilkhet, Dhaka-1000, Bangladesh</p> <hr/> <ul style="list-style-type: none"> ▪ Regular Teacher: Under the continuous guidance of two university guide teachers I facilitated the teaching learning process on Mathematics and Science from grade six to ten as a Practice Teacher. ▪ Material Developer: It was recommended by my Teaching Supervisor to use teaching aids and related teaching materials to ensure joyful learning and I used them in my all classes. After completion of my teaching I submitted all the teaching materials to my Supervisor. ▪ Lesson Planner: As my degree required I developed lesson plan for each classes and I facilitated the classes according to this plan. ▪ Co-curricular Program Organizer: We all intern teachers on that session organized a cultural program with the students in the school.
<p>7 December 2012 – 20 January 2013</p> <p>Main Activities and Responsibilities</p>	<p>Research Assistant</p> <hr/> <p>PROTEEVA Program, Education Sector, Save the Children in Bangladesh.</p> <hr/> <ul style="list-style-type: none"> ▪ Attended and completed 4 Day workshop on Tools Introduction and Data Collection Process. ▪ I have observed and collected data by using Early Childhood Rating (ECR) scale from the community based and school based pre-primary schools in Bangladesh. ▪ I worked on Data analysis part intensively through the whole Research project. ▪ I maintained 3 hours classroom observation, meeting with teachers, students and community in every school. <p>Based on the collected data from the schools I wrote a report.</p>
