Erasmus+ KA 171 Mobility Program for Teaching-2023-2024

December 20, 2023

The Office of International Cooperation and Collaboration Centre (ICCC), the Noakhali Science and Technology University (NSTU) is delighted to inform all concerned that Amasya University, Turkey has invited the applications from the qualified faculty-members of the designated departments of the NSTU for participating in a week-long international credit mobility (ICM) program for teaching to be tentatively held from 10th March, 2024 to 17th March, 2024 in the aforesaid University as part of Erasmus+ KA 171 supported by EU. Please note that the period of the program may vary depending on the situation, and obtaining of the Turkish visa by the participants.

In this regard, please note that the applicants should be at least an associate professor preferably with a doctorate degree and capable of giving instructions in English. Please also note that one (01) teacher will be selected via proper process under this program. The interested faculty-members of the designated departments as shown below are advised to send their filled-out applications in a prescribed form via email to the additional director, ICCC, the NSTU (Email: rokonsiddiky.soc@nstu.edu.bd) by December 25, 2023. Please be informed that while sending the applications by email, the applicants are required to put a carbon copy (cc) to (international@office.nstu.edu.bd). Please note that the NSTU authority reserves all the rights in this selection process.

Designated Departments/Subjects: Zoology/Fisheries (Fisheries Biology), Chemistry, Electrical and Electronic Engineering, and Computer Science and Telecommunication Engineering/ Information and Communication Engineering
