Announcement of the Erasmus+ Staff Mobility at PAU, Turkiye-2026

June 02, 2026

The Office of International Collaboration and External Affairs (ICEA), the Noakhali Science and Technology University (NSTU) is delighted to inform all concerned that the **Pamukkale University (PAU), Denizli, Turkiye has invited** applications from the qualified faculty-members of the designated departments of the NSTU for participating in a week-long staff mobility program for teaching to be held from **July 20, 2026 to July 24, 2026** in the aforesaid University as part of Erasmus+ KA 171 supported by EU excluding the travel days. The costs associated with this mobility program will be borne by the host University as per EU guidelines.

Required Eligibility

Faculty members interested in participating in this program must be permanent staff at NSTU holding the rank of associate professor or professor. They must possess a doctoral degree and have sound English proficiency, extensive research experience in their fields, and a valid passport. Please note that only one (01) faculty member will be selected through the official evaluation process.

How to Apply:

The interested faculty-members have to send their applications in a prescribed form, the list of all publications, the list of the papers published in the journals indexed in Scopus, proof of any award at national/international level, and a copy of passport to the Erasmus Coordinator via email (rokonsiddiky.soc@nstu.edu.bd) by June 09, 2026. While sending applications, the applicants are required to put CC to ICEA Office (international@office.nstu.edu.bd). Please note that while submitting the applications via email, the applicants should preferably merge all the documents in order and transform them into a single pdf file. Please also note that NSTU authority reserves all the rights in this selection process.

Designated Departments or Subjects: Agriculture, Applied Mathematics, ACCE, Chemistry, Business Administration, EEE, MIS, BMB, CSTE, Microbiology/Medical Microbiology, Pharmacy (Medical Pharmacology), FTNS, Sociology, Economics, ESDM, English, Education, and Social Work.
