Announcement of Erasmus+ Mobility Program for Academic Staff-2024

September 09, 2024

The Office of International Cooperation and Collaboration Centre (ICCC), the Noakhali Science and Technology University (NSTU) is delighted to inform all concerned that the **Istanbul Gedik University, Turkey** has invited **the applications from the qualified faculty-members of the designated departments of the NSTU for participating in a week-long international credit mobility (ICM) program for teaching to be held from November 04, 2024 to November 08, 2024 excluding travel days** in the aforesaid University as part of Erasmus+ KA 171 supported by EU. However, the period of the program may vary depending on the global situation, and obtaining of the Turkish visa by the participant.

In this regard, please note that the applicants should be at least an associate professor preferably with a doctorate degree and capable of giving instructions in English. Please also note that **one (01) academic staff** will be selected via proper process under this program. The interested faculty-members of the academic designated departments as shown below are advised to send their filled-out applications in a prescribed form via email to the additional director, ICCC, the NSTU (Email: rokonsiddiky.soc@nstu.edu.bd) by September 15, 2024. Please be informed that while sending the applications by email, the applicants are required to put a carbon copy (cc) to (international@office.nstu.edu.bd). Please note that the NSTU authority reserves all the rights in this selection process.

Designated Departments: Applied Chemistry and Chemical Engineering, Chemistry, Computer Science and Telecommunication Engineering, Electrical and Electronic Engineering, Business Administration, Economics, Law, Political Science (BMS), Management Information Systems, Physics, Sociology, and Software Engineering

Prof. Dr. Md. Roknuzzaman Siddiky
Additional Director and Erasmus Coordinator
